COPYRIGHT TRANSFER DECLARATION

Article title

Names of all authors or a Collaboration name

Copyright to the above-quoted article including the accompanying abstract (the “Article”) is hereby transferred to the Jagiellonian University for publication in the Acta Physica Polonica B journals. The copyright covers the right to publish, commercially reproduce and distribute the Article in any form.

The intellectual rights fully remain at the author or his/her employer. They also retain the right to copy, distribute and display the published version of this Article, and to create derivative works, as long as they credit the original Article source. Articles are published under the conditions of Creative Common License, CC-BY 4.0.

By signing this agreement the author(s) warrants that this contribution is original and she/he has the full power to make this grant. The signing author accepts responsibility for releasing this material on behalf of all co-authors.
